**Subject:** RE: Treasure Island/Superfund contacts

Hi, I believe Michele Huitric is our press contact, and I'm also cc'ing our division's press liaison, Rusty Harris-Bishop, in case I am in error. In the meantime, please contact the DTSC who is regulatory oversight agency for the CERCLA (Superfund) cleanup at Treasure Island. The site is not listed on the National Priorities List (NPL), and was deferred to the State Agencies for regulatory oversight.

**Subject:** Treasure Island/Superfund contacts

Hi Nadia,

Thanks for taking my call. I'm looking for some clarification on whether the NPL distinction and whether Treasure Island is a Superfund Site. Also wondering which agency has jurisdiction over the sight and cleanup.

Please forward me the contact that you mentioned (Michele Huitrick?) and a contact for the Dep. of Toxic Substances Control.

Thank you very much,
